

**WV Division of Natural Resources Law Enforcement Section
Commercial Whitewater Guide Continuation Sheet
(Additional River Sections)**

It is the responsibility of commercial whitewater outfitters to keep on file copies of all guide trainee, guide, and trip leader information sheets for each employee that cover the river sections and levels of responsibility (Guide or Trip Leader) each employee works. It is NOT necessary to maintain additional records other than additional completed sheets for each new section or Trip Leader section a guide adds to their qualifications. Please note that the Gauley River requires additional qualifications and, thus, separate guide and Trip Leader sheets for the section from Summersville Dam to Mason's Branch.

All whitewater trips relied upon for qualification must be shown on this form.

Per West Virginia Code of State Rules §58-12.1

12.1.c "Have acted as a commercial whitewater guide and completed a minimum of fifteen (15) commercial whitewater expeditions in a raft on a river in which a guide is required to every raft, two (2) familiarization trips and one (1) evaluation trip. The second familiarization trip may count as the evaluation trip;"

This sheet needs to accompany the standard Guide Trainee Sheet.
